

DeLILLE CELLARS

.....
DeLille Cellars 2005 D2

Gobs and gobs of concentrated black raspberries, plums and deep black cherries intertwine with a violets and pencil snap nose.

The 2005 D2 is super concentrated with layers of plums and cherry pie flavors that are nicely balanced with toasty mocha, sweet tobacco-oak nuances.

"This combines a firm spine with an attractively pliant texture and enticing sweetness. Classy wine for the price."
