

DeLILLE CELLARS

.....
DeLille Cellars 2011 D2

A layered vintage of D2 expressing a fruit-driven nose of blueberries, cassis, and cherries along with lavender, cigar wrappers, toasted vanilla, crushed stones and pencil shavings. The flavors have a harmonious combination of red and black fruits with blackberries and cherries leading the profile.

The majority of characters, however, are all about spices: fennel, white pepper, Herbs de Provence, cinnamon, graham and a touch of menthol.

Definitely a complex D2 that is delicious, savory and balanced.
