

DeLILLE CELLARS

.....
Doyenne 2008 Syrah Grand Ciel Vineyard

Bramble fruit, pepper, grilled meats and toasted hazelnuts greet you in the glass from the latest edition of our Estate Syrah Grand Ciel Vineyard.

This wine is extremely rich and unctuous on the palate, while retaining the freshness that is becoming a hallmark of this vineyard. This wine is a giant showing great concentration, complexity and length and is a definite candidate for a nap in the cellar.

With a little decanting, however, our Estate Syrah is absolutely delicious to enjoy immediately.
