

DeLILLE CELLARS

Doyenne 2010 Syrah Grand Ciel Vineyard

Showing incredibly complex and unique aromas of orange peel, white pepper, black raspberries, plums, toasted cumin seeds and mole chocolate.

Layered on that diversity are roasted meats, anise, green olive, spearmint, lavender, tar and sun dried tomatoes exhibiting a memorable nose. The expansive “fill the mouth” flavors reinforce the nose with vanillin, blackberries, raspberries, meat and olives along with sous bois (i.e. forest floor) and orange spices.

Wrapped in great structure, balance and length, this is a significant wine and one of the best examples of Syrah we have produced since our first vintage in 1997.
