

DeLILLE CELLARS

Grand Ciel 2013 Syrah

The 2013 vintage has an expansive nose of blue fruits, blackberries, violets, cherry blossoms, vanilla mint and citrus oil followed by mineral and garrigue (i.e., wild, fragrant herbs) characters. A glass-staining black purple color reinforces the aromas. As always there is a generosity of flavors that include lush brambleberries, blackberries, cherries, orange spice, black pepper and cumin. 2013 proves to be a ripe and powerful vintage as is evident in this release of Grand Ciel Syrah.
