

DeLILLE CELLARS

.....
Doyenne 2005 Métier

This wine has a black-purple color and is a Châteauneuf-du-Pape style blend. It has sweet rhubarb and juicy strawberry aromas with cherries and kirsch liqueur. The flavor is expansive and rich with strawberry pie notes, and mouth watering juicy acidity.

Because of all its fresh mixed berries and cream characters, this wine is delicious and plush. Drink this wine now or hold for medium-term aging.
