## Doyenne 2008 Métier

The 2008 Métier Rouge unfolds with a complex nose of sweet raspberries and dark cherries with underlying earth tones of mushrooms, jasmine tea and cinnamon spice. The flavors are remarkably hedonistic, juicy and dramatic with bright Grenache notes of strawberry leaf and raspberries leading the way.

Although intensely flavored and plush, it also shows an elegant personality present in the mid-palate and continues well into the long, rich finish.

Enjoy over the next 4 to 5 years.
