

DeLILLE CELLARS

---

## Doyenne 2010 Métier

Even though this wine is known for its cellaring potential that Grenache dominated wines are famous for, don't worry if you don't have any 2009 Métier left since the 2010 vintage is already starting to show its juicy strawberry leaf and brambleberry characters.

From floral and red-fruited aromas to a long and silky finish, this wine is tempting all on its own or a perfect partner with spring lamb.
