

DeLILLE CELLARS

Doyenne 2004 Roussanne

Named for its russet colored (roux) skin, Roussanne is the only white Rhône varietal that retains its natural acidity and fresh crisp structure.

Roussanne is also the slowest to ripen and therefore loves the hot, dry and sunny conditions of our beloved Red Mountain AVA.

This wine is already showing the classic lemon-lime and honey blossom characters wrapped in a delicate framework. It is dry yet vibrant, crisp and clean, and with traces of stones and floral characters.

Appellation

Red Mountain

Varietal

100% Roussanne
