.....
Doyenne 2007 Roussanne

We feel this is the most concentrated Roussanne to date. The color on this wine is light straw with hints of gold, a pretty wine that shows off its Roussanne-ness with lime and lemon fruits and a distinct honeyed nose.

Rich layers of honey and acacia flowers follow into the palate, which is focused, balanced, and long.

What can we say, we like it! This is a wine that should improve with some time in the bottle.

"Bright, pale yellow. Intriguing aromas of smoke, brown spices and lime zest, with notes of honey and spun sugar emerging with aeration."
