

DeLILLE CELLARS

Doyenne 2009 Roussanne

Our 2009 Roussanne is a complex and restrained wine that surpasses simple fruitiness in favor of a perfumed nose of chamomile, dried flowers, honey and citrus notes.

On the palate the wine is juicy and focused with preserved limes and honey complimenting the classic rich honeyed mouthfeel of Roussanne.

The great structure and balance makes it a perfect match for lighter meals or just a glass on its own on the patio.
