

DeLILLE CELLARS

.....  
Doyenne 2010 Rosé

The cool and late 2010 vintage resulted in crisp, focused, and aromatic white wines, which carried over to the 2010 Rosé as well.

There is considerably more Cinsault in this year's blend resulting in a beautiful, pink-salmon color. Our 2010 Rosé features fruit-forward aromas of strawberry, melon, and nectarine notes along with subtle herb, anise and leaf tones.

The palate is bright, refreshing, and silky with mixed berries and orange peel notes. The long finish echoes those berries and fruits. A delicious wine that is great for chicken dishes, salmon or just by itself.
