*Doyenne* GRAND CIEL

## DeLille Cellars 2011 Harrison Hill

65% Cabernet Sauvignon | 25% Merlot | 8% Cabernet Franc | 2% Petit Verdot  
Snipes Mountain

2011 Harrison Hill is like a walk through an herb and flower farm. Cherries, cassis and wild raspberries are bombarded with cedar, white pepper, violets, tea smoke, peat, linseed, woodspice and other souvage aromas. Classic Harrison Hill flavors of Cherries and leather are combined with raspberries, pomegranates and iron. This wine has perfect ripeness and beautiful tannin structure. It is both complex and elegant and has an extended pure finish. A wine of breed and style.

“Showing awesome complexity (which is one of the hallmarks of this cuvee), the 2011 Harrison Hill is made from 65% Cabernet Sauvignon, 25% Merlot, 8% Cabernet Franc and 2% Petit Verdot. Loaded with notions of cherry blossoms, black currants, mineral, tobacco leaf and chocolate, this full-bodied, seamless and supple effort has a classy, elegant profile that should allow it to evolve gracefully for two decades or more. It's a beautiful 2011 that should not be missed.”
