

2015 The 2015 Signature Syrah displays an inky black color, with **VINTAGE** enticing aromas of smoked charcuterie, cracked black pepper, loam, and a whisper of tangerine and violets. Generous fruit flavors on the palate include plush plum and macerated blackberries, supported by pleasantly savory tannin and noteworthy acidity. With generosity and balance, it will be a pleasure to consume immediately, but also promises to improve in the bottle for a decade or more.
