

2016 This attractive wine exhibits a light salmon color, with both **VINTAGE** complex and vibrant aromas of spring flowers, raspberries, watermelon and cherries. On the palate, vivid acidity harmonizes with lingering flavors of rose water and nectarines with a breath of passion fruit.

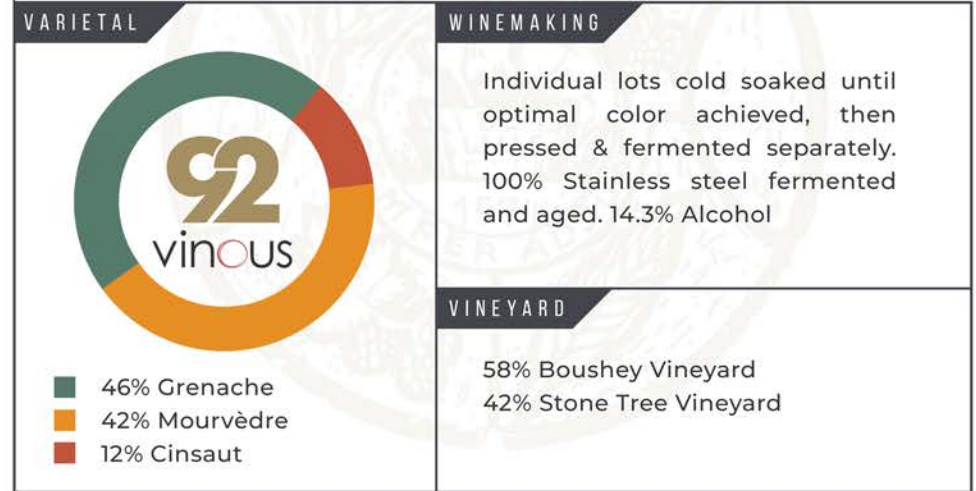

ANTONIO GALLONI VINOUS OCTOBER**2017**
 "(done entirely in stainless steel): Medium salmon-pink. Perfumed scents of raspberry and watermelon lifted by a floral note. Surprisingly rich yet light on its feet, offering smooth flavors of nectarine and flowers. This wine has more texture than your typical rosé but maintains a lovely light touch. Finishes subtle, broad and long, with excellent grip and no rough edges. Terrific rosé."
