

2016 A deep purple color and aromas of smoke, cured meat, violets and cracked pepper introduce this stellar 2016 Signature Syrah. For this cuvee, Boushey Vineyard Syrah contributes interesting earthy notes of cigar wrapper and marionberry, blended with the power and dense, dark fruit flavors of vineyard blocks from Red Mountain. The result is a wine that blossoms in the mouth, with balanced generosity of fruit, a concentrated mid-palate, and plenty of savory acidity to enliven the experience. Lingering floral and citrus accompany a delicate raspberry flavor on the long finish.

WINE SPECTATOR

MAY 2019

“Full orange-pink color. Inviting scents of strawberry, quince and tree bark. Juicy, tactile, rather bracing wine with noteworthy intensity, a distinctly dusty quality and a hint of sweetness. This lovely fruit bomb of a rosé finishes lively and gripping, with sneaky persistence.”
