

2017 Offers abundant dried cranberry and raspberry **VINTAGE** aromas surging from the glass, with intertwined darker fruits notes of cassis, blueberry and blackberry. Delicately balanced oak influence contributes cocoa and coffee bean notes while remaining completely respectful of the fruit. This appealing wine is vibrant and extraordinarily fresh on the palate, with persistent fruit flavors of pomegranate and blueberry. Understated and subtle tannin provides welcome structure, while excellent early integration offers accessibility, generosity and abundant pleasure despite the wine's youth.
