

2019 Our 2019 Grand Ciel Cabernet has wonderful notes upfront **VINTAGE** of cassis, black currant and kirsch liqueur. The oak aromas gently offer hints of cinnamon stick, clove, caramel and vanilla bean. The depth and subtle nuances of this wine are best experienced after a lengthy decant, as truffle, graphite and tobacco leaf are discovered. At this early stage, the tannins are already quite resolved, approachable, and guide the alluring finish. This wine will surely age as long as you are able to cellar it.

JULY**2022**

“The 2018 Cabernet Sauvignon Grand Ciel Vineyard checks in as 100% Cabernet Sauvignon from a great vineyard on Red Mountain. It spent 20 months in new French oak. Brilliant notes of pure cassis and darker currants fruits as well as tobacco leaf, chocolate, dried herbs, and some loamy earth all emerge from the glass, and it's full-bodied, has a pure, elegant, balanced mouthfeel, silky tannins, and is just a quintessential, impeccably made Cabernet from this team that can be drunk today or cellared for 25-30 years. Bravo.”
